PAYMENT POLICY

Forms of Payment:

We accept cash, personal checks, and most major credit cards.

Expectations:

Payment is due in advance or at time of service.

Missed Appointment & Cancellation Policy:

There is an appointment cancellation fee for each no-show and appointment cancellation with less than 24 hours' notice. Please inform us of any possible absences 24 hours prior to your appointment, via telephone, email or through our after hour's answering service. For any appointments missed without notification, you may be charged a "Missed Appointment Fee" equal to the value of your service. In order to avoid these fees, please call us to re-schedule your appointments promptly! Fees will be collected in full prior to your next appointment with us.

Late Arrivals:

Please be advised that we do our best to accommodate for extenuating circumstances, however, arriving late for your appointment can disrupt your practitioner's schedule of subsequent appointments. If you arrive late for your appointment, you will still be charged in full and may have less time for your appointment.

I have read, understand and agree to the payment policy of Cap Wellness Center. I understand that I am responsible for all costs of my care.
